

As a church, we are using OWNit365’s “One Story” plan for this year’s corporate reading. This plan is a 6-day-a-week journey through the entire Bible with three readings per day. The acronym “OWN” represents one daily reading from the Old Testament, along with one from the Wisdom Books or New Testament. Each day’s reading is designed to balance both the amount you read as well as provide a section which is easier to understand and apply to your life.

Printed schedules like this are in the foyer brochure rack at the beginning of each new month. Or, if you would like to use the online tools to keep track of your reading, register online (you will need to create an account to download the materials, but everything is free) at this URL—<http://ownit365.com/my-plans/>. They also have an app for smartphones, and the YouVersion Bible app includes a link to this plan.

The daily questions/insights materials for deeper study are available from OWNit365. There are also some great resources including family resource guides, videos, and tools to utilize with your computer or smartphone. Several links are provided below:
