

ADDICTION

and the Church

1-Day Seminar for Church Leaders & Members

SEPTEMBER 20, 2024

When the church puts faith into action to embrace those with substance abuse disorders and those coming out of incarceration, it makes a significant impact. Join Heartland Recovery for this 1-day informational seminar designed to equip church leaders with the knowledge and tools to help their congregation effectively identify, support, and welcome these individuals.

SPEAKERS

Session speakers have many years of experience working in various aspects of addiction recovery and incarceration.
